

# International Journal of Structural and Civil Engineering Research

## CONTENTS

---

### Volume 8, Number 2, May 2019

#### Structural Engineering

- Linear and Nonlinear Buckling Analysis of Castellated Beams .....83  
*Sahar S. Elaiwi, Boksun. Kim, and Long-yuan. Li*
- Performance Evaluation of a Newly Developed Translational Tuned Mass Damper .....94  
*Md. A. Hossain, Mohammad S. Miah, Md J. Miah, and Md. M. Hossain*
- An Experimental and Numerical Study of the Load Distribution Effect on Composite Slab Shear Resistance..... 101  
*Milad Soltanalipour, Miquel Ferrer, Frederic Marimon, Josef Holomek, and Miroslav Bajer*

#### Civil and Architectural Engineering

- Numerical Analysis of a Single Large-diameter Cofferdam under Offshore Loadings ..... 107  
*Jeongsoo Kim, Yeon-Ju Jeong, Min-Su Park*

#### Concrete Design and Performance Testing

- Improving the Torsional Capacity of Reinforced Concrete Beams with Spiral Reinforcement ..... 113  
*Hasan N. Kathuda, Nasim K. Shatarat, and Ahmad A. AL-Rakhameen*
- Effect of Recycled Aggregate on Mechanical and Durability Properties of Concrete..... 119  
*Krishan Pareek, Srishti Saha, Nayan Gupta, and Purnachandra Saha*

#### Green Building and Sustainable Development

- Sustainable Concrete: A Review ..... 126  
*Mohaddeseh Tahanpour Javadabadi, Danielle De Lima Kristiansen, Merhawi Bayene Redie, and Mohammad Hajmohammadian Baghban*
- How is the Energy Performance of Buildings Assessed in Australia? -A Comparison between four Evaluation Systems ..... 133  
*Ruidong Chang, Qiancheng Wang, and Qiancheng Wang*
- Green Building Construction Guidelines Using Game Theory ..... 138  
*Vimonlnapath Hououangnak and Apichit Therdyothin*
- Architectural Ephemerids in Terms of Generative and Parametric Design ..... 146  
*Wiesław Rokicki and Anna Stefańska*

## **Earthquake Engineering**

Seismic Behaviour Study of Primary Schools in Algarve and Huelva Cities. Case Study of Three Different Building Technologies ..... 152

*Emilio Romero-Sánchez, A. Morales-Esteban, M. Luisa Segovia-Verjel, Mar ú V. Requena-Garc í-Cruz, Jaime de Miguel-Rodr íguez*

Implementation of Real-time Seismic Diagnostic System on Emergency Management Center Buildings: In Case of the 2018 Osaka earthquake ..... 159

*Kazuhiro Hayashi and Taiki Saito*

## **Road and Bridge Engineering**

Running Safety of Vehicle on the Bridge under the Sudden Change of Wind Loads Due to Wind Barriers ..... 165

*Xin-yu Xu, Xiao-long Zheng, and Yong-le Li*

## **River Hydrological Monitoring and Management**

River Bank Protective Work of Bangladesh: A Case Study on the River Padma ..... 171

*Meraj R. Kamal, Rubaiya Rumman, Khushnuma W. Shushmi, and Kazi A. Hasan*

## **Smart City and Transportation Infrastructure Construction**

Comparing Roundabout and Metered Roundabout Performance under Different Traffic Conditions ..... 178

*Akmal Abdelfatah and Mohammad Alozn*

An Analysis on the Application and Popularization of Smart Home in Chinese First-Tier Cities' Rental Apartment Area ..... 183

*Jingwen Zhang*
